

# Stay on top of your BEC Exam Prep with these key dates for 2023

Pass BEC in 2023, and you won't have to take one of the more advanced discipline sections of the new CPA Exam in 2024. But you need to get started now before your window of opportunity closes. Create your study plans accordingly so you don't miss any deadlines and cut-offs.

**Mark your calendars for these important dates to remember if your application is one of the 35 jurisdictions being processed by a CPA Examination Services (CPAES) state or jurisdiction:**

*Boards of Accountancy that do not utilize the CPA Examination Services may have different BEC application deadlines. These deadlines will be posted on [NASBA's website](#) once they become available. You can also check with your State/jurisdiction's Board of Accountancy directly.*

Dates to Remember	October 1 2023	November 12 2023	December 15 2023
<b>What's happening?</b>	BEC application deadline for first-time BEC takers	BEC application deadline for re-exam candidates that have already been approved for a prior NTS (any section)	Last day of testing for all current CPA Exam sections, including BEC
